September 23-25, 2024

One Central Hotel, Cebu City, Philippines

The Asian Association for Academic Integrity, Inc. (AAAI), with SEC Registration Number CN201619469, is inviting you to participate in a training workshop on "**Advance AI Skills for Teaching & Research Paneling**" on **September 23-25, 2024** at One Central Hotel, Cebu City, Philippines. The training workshop will be facilitated by the founder of Asean Research Organization, **Dr. Genaro V. Japos**.

As artificial intelligence continues to evolve and integrate into various fields, educators and researchers must equip themselves with advanced AI skills to enhance teaching methodologies and research capabilities. The rapid developments in AI technologies necessitate a curriculum that not only focuses on theoretical concepts but also emphasizes practical applications in educational and research contexts. This training aims to bridge the knowledge gap, providing participants with the tools and insights needed to leverage AI effectively in their respective domains.

### Training Objectives:

1. Provide participants with a comprehensive overview of advanced AI concepts, including machine learning, natural language processing, and data analytics.
2. Equip participants with hands-on experience in using AI tools and platforms relevant to their teaching and research needs.
3. Guide educators on how to incorporate AI methodologies into their teaching practice, fostering a more engaging and effective learning environment.
4. Address the ethical implications of using AI in teaching and research, emphasizing responsible practices and the importance of data privacy.
5. Highlight best practices for using AI in research methodologies, including data collection, analysis, and interpretation.
6. Provide resources and platforms for continuous learning and development in advanced AI skills.
