Research for Accreditation & World Ranking
February 5-7, 2026
VIP Hotel, Cagayan de Oro City, Philippines

Research for Accreditation & World Ranking is a strategic training workshop designed to empower academic institutions with the foresight and research capabilities necessary to achieve global distinction by determining the critical research benchmarks required to satisfy rigorous accreditation standards. Participants will engage in the systematic design of a robust research agenda specifically engineered to elevate institutional visibility and enhance competitiveness in world rankings. By bridging the gap between scholarly productivity and global metrics, this program equips participants with the tools to cultivate an environment of excellence, ultimately positioning their organizations as premier hubs for impactful, world-class research.
