

Proposal Writing for Interdisciplinary Research

November 30, 31 & December 1, 2017
Cebu Grand Hotel, Cebu City, Philippines

With training researchers to enhance knowledge and skills of interdisciplinary research as one of its mission, the Asian Association of Interdisciplinary Research, Inc. invites you to join its training on **“Proposal Writing for Interdisciplinary Research”** on November 30, 31 & December 1, 2017 at Cebu Grand Hotel, Cebu City, Philippines.

The objectives of the said training are: to learn a new framework for interdisciplinary research; to design research proposals for interdisciplinary research; to explore fund grants for interdisciplinary research; and to learn strategies to pass the requirements of research funders. Learn more about The Interdisciplinary Research Framework (definition, perspectives, approaches, and methods), Designing Research Proposal for Interdisciplinary Research, and Exploring Grants for Interdisciplinary Research through our Resource Speaker, **Dr. Mary Gretchen F. Chaves of the University of the Philippines Cebu-Business Management Cluster (CV available upon request)**. Program for the said training and confirmation slip are attached for your guidance. For more details about the training, please contact **Ms. Maria Alyanna E. Napone** through **+639496097891/+639565347421/(088)881-8294**. You could also email her through aaair@aseanresearch.org.
