## OBJECTIVES OF THE WEBINAR:

- (1) To select a journal during the writing of the research proposal;
- (2) To learn the publication standards and style of the chosen journal;
- (3) To write the parts and sections of the paper according to the requirements of the journal; and
- (4) To prepare for editorial requirements for paper submission.

Time	Session/s	Method/Activity
<b>Day 1</b> <b>August 24, 2020</b>  9:01-9:15 am	<b>Opening Program</b>  Greetings Introduction of the Resource Speaker	
9:16-12:00 nn	<b>Fundamentals of Journal Selection:            ISI and Scopus Standards</b>  <i>Exploring Editorial Policies of Journal            and Using these in the Writing Process</i>  <i>Determining quality of journals</i> A. High-Impact B. Medium Impact C. Low Impact  <i>This session will teach participants how to            select a journal prior to research publication            and fit the said research and format it based            on is standards and style. Moreover, the            session will also detail how to determine the            quality of journals through the Scopus            Elsevier and Thomson Reuters ISI (now            Clarivate Analytics) standards.</i>	<b>LECTURE/WORKSHOP</b>
