

# Trends and Best Practices in Research Teaching and Thesis Advising February 22-24, 2023 Castle Peak Hotel, Cebu City, Philippines

*A critical factor that spells the boon or bane of a student's thesis/dissertation completion is the interplay between effective research teaching and competent research advising. Where research teachers provide students to a roadmap and blueprint of research processes and skills, thesis advisers guide the students in navigating the often challenging and treacherous research journey from research conceptualization to journal article publication. With emerging research methods, trends, and best practices, how can one become a research teacher and/or thesis adviser capable of leading students and advisees towards the completion and publication of their scholarly work?*

Guiding every research teacher and thesis/dissertation adviser through skills development, the **Asian Society of Teachers for Research Inc.** invites you to the **Training-Workshop on the Trends and Best Practices in Research and Thesis Advising on February 22-24, 2023 (9:00 am -5:00 pm)** at the **Castle Peak Hotel, Cebu City, Philippines.**
