

Developing and Publishing Questionnaires for Scopus Publication

July 29-31, 2024

Cagayan de Oro City, Philippines

Venue: Pearlmont Hotel, Limketkai Drive

Training on developing questionnaires is urgent and relevant because it equips researchers with the necessary skills to design surveys that accurately capture data. Valid and reliable questionnaires are crucial for producing high-quality research and ensuring the credibility of research findings. By receiving training in questionnaire development, researchers can enhance the rigor and validity of their studies, leading to more robust and impactful publications.

The International Association of Multidisciplinary Research, Inc. (IAMRI) with SEC Registration No. CN201964450 is inviting you to participate in the training workshop on “ **Developing and Publishing Questionnaires for Scopus Publication**” on July 29-31, 2024 at the Pearlmont Hotel, Limketkai Drive, Cagayan de Oro City, Philippines.

The program will be conducted and facilitated by **Dr. John Vianne B. Murcia** – Research Director, Jose Maria College Foundation, Inc.

The objectives are to:

1. To develop questionnaires with global application;
2. To learn the procedures and techniques for content and construct validity;
3. To acquire skills in Statistics and Exploratory Factor Analysis; and
4. To prepare a publishable paper on questionnaires for submission to Scopus Journals.
