

**Thesis Advising and Paneling Using Generative AI
June 13-15, 2024
City Garden Suites, Manila**

Thesis Advising and Thesis Paneling Using Generative AI aims to enhance the skills and knowledge of thesis advisors and panelists in effectively guiding and evaluating thesis projects. With the advancement of generative AI technologies, it becomes crucial for thesis advisors and panelists to understand how to leverage these tools to provide valuable guidance, feedback, and evaluation to students pursuing their thesis work. By incorporating generative AI techniques, thesis advising and paneling can be more efficient, objective, and innovative.

The International Association of Research Ethics Across Disciplines, Inc. (IAREAD), with SEC Registration Number CN201919199 is cordially inviting you to participate in the webinar on “Thesis Advising and Paneling Using Generative AI” on June 13-15, 2024, at City Garden Suites, Manila, Philippines.

The program will be conducted and facilitated by **Dr. Genaro V. Japos**, Founder of Asean Research Organization.

The webinar objectives are to:

1. To familiarize participants with generative AI technologies;
2. To develop skills in using generative AI tools for thesis advising;
3. To enhance evaluation techniques using generative AI; and
4. To foster effective communication and collaboration.
