

**TRAINING ON RESEARCH ADVISING AND PANELING TECHNIQUES**

The Selah Garden Hotel, Pasay City, Manila, Philippines

August 12-15, 2018

The International Association of Scholarly Publishers, Editors and Reviewers (IASPER) with the SEC Registration No. CN201433407 is inviting you to participate in the training on Research Advising and Paneling Techniques that will be staged on August 12-15, 2018 at The Selah Garden Hotel, Pasay City, Manila, Philippines.

**Rationale**

Crucial to the success or failure of a research student is due to problems of research advising and paneling. There is hardly any formal training on these tasks available. So, teachers advise and panel based on their experiences when they did their thesis. Today's interface is a dynamic blend of expertise, technology and leadership that calibrates outdated advising and paneling practices in sync with new trends.

The objectives of the training are to:

1. learn recent trends in thesis advising that guarantees the paper's acceptance to peer reviewed publication;
2. formulate new policies and procedures to strengthen thesis advising and research paneling;
3. acquire non-directive techniques of research paneling;
4. apply new technologies in research advising and paneling; and
5. establish mechanisms for external and foreign experts to assist research advisers and panelists.
